

TOWN OF GILBERT

ADDENDUM NO. 2

TO BID DOCUMENTS FOR

Project Name: Consolidated Canal Bridge Repair
CIP Project Number: ST156
Contract Number: 2015-7003-0536

01/05/15

This Addendum contains a total of 2 pages.

The following revisions to the Bid Documents and/or Drawings for the project shall become a part of the Contract Documents. Only these items are to be altered. The remainder of the original Bid Documents and/or Drawings maintains validity in their entirety. The Bidder shall acknowledge receipt of this Addendum on the Bid Form.

1. **On Page 22 of 59 of the Technical Specifications, under Item 202.00001, Removal of Structures and Obstructions (Hydrodemolition)(Class I Removal), Description:** the first paragraph is revised to read:

“The work under this item consists furnishing all labor, materials and equipment necessary to remove the top layer of an existing concrete bridge deck at the Consolidated Canal using hydrodemolition removal methods. The depth and limits of removal shall be as shown in the project plans. The work shall also include removal and disposal of the existing traffic island in the westbound lanes as incidental to this work.”

On Page 24 of 59 of the Technical Specifications, under Item 202.00001, Removal of Structures and Obstructions (Hydrodemolition)(Class I Removal), Method of Measurement: the first paragraph is revised to read:

“Removal of Structures and Obstructions (Hydrodemolition) (Class-I Removal) will be measured by the square foot. Measurement will include the total surface area over which removal is acceptably performed. No additional payment will be made for areas with a depth of removal greater than that specified for Class I removal. Removal of the quantities of concrete curb and other brick and bedding material that comprise the existing traffic island in the westbound lanes shall be considered incidental to this measurement.”

2. **On Page 27 of 59 of the Technical Specifications, under Item 301.00001, Pavement Reconstruction, Construction Requirements:** the first paragraph of Section (F0 Approximate Item Quantities is revised to read:

“The following quantities of items making up the lump sum price are based on reconstruction of a 12-foot width of pavement and are provided for the contractor’s information in assembling a lump sum price:”

3. Clarification of Construction Services Contract Section 2.3:

“The Work shall be substantially complete within **70** Calendar days after the date when the Contract Times commence to run as provided in the Notice to Proceed, and all Work shall be finally completed and ready for final payment in accordance with the Notice to Proceed within **90** Calendar days after the date when the Contract Times commences to run.”

Bidders shall acknowledge receipt of Addendum No. #2 on the Bid Form.
Failure to do so will result in the Bid being declared non-responsive.

End of Addendum No. #2
